Our

*Quality Services*

successful construction approach is based on aggressive sub-contractor administration, accurate cost control and low overhead. We employ only qualified sub-contractors who share our goal in creating a quality cost competitive project.

Because scheduling and budgeting concerns are important to **JAID INVESTMENTS LIMITED** we assign a team of expert to every project from the earliest design and pre-construction phases through post- construction clean up. Our team's goals are to create distinctive design ideas and develop streamlined methods of construction that suit each project specifically. We also provide our clients with reliable and expedient information throughout the construction process, ensuring well informed decision making that ultimately enhances the quality of our final product. The direction we provide is based on a thorough knowledge of industry and our clients.

## **SPECIFIC NEEDS**

We believe in hiring talented people for their long-term potential, giving them the responsibility and authority to be effective team players. Having the full support of the company, employees consistently produce top quality work that exceeds client objectives and promotes future construction opportunities.

The principle business activities include but not limited to the following:

- a) Water and irrigation work.
  - Pipe works
  - Boreholes
  - Canals – excavation and lining
  - Irrigation structures – intakes, distribution boxes and culverts.
- b) Civil engineering works
  - i) Road works
    - Grading
    - Gravelling – provision, placement, spreading and compaction.
    - Drainage works
    - Labour based routine construction
    - Supply of concrete products – culverts, krebs, inverted block drains
  - ii) Structural works
    - Culverts – provision, placement and installation
    - Gabions – provision, placement and rockfill
    - Steel works – fabrication and installation
    - 
    - Construction of bridges.
